The Viking Club Philosophy: We want to Challenge you, Encourage you, Support you, and Prepare you to Succeed!

The Viking Club is entering its 20th year as an AAU girl's basketball club. Since 1987 the Viking Club has provided female athletes the opportunity to play with and against the best competition in the state and Nation.

The Wisconsin Viking Club staff strives to prepare each athlete to achieve their personal best. We are enthusiastic about coaching and will work together to provide all Wisconsin Viking Club, Futurestars, Team Wisconsin and Senior Team athletes the best positive environment to improve their basketball skills, play with and against great competition, make new friends and have fun!

Director of Viking Club, Keith Noll
Keith Noll is the President of Wisconsin AAU and serves on numerous State and National Committees. In 1987 Mr. Noll created the Viking Club and girls AAU basketball in Wisconsin when none existed. He is a Life Member of the AAU. Among the awards Mr. Noll has been awarded is the National AAU Volunteer of the Year Award, the National AAU President's Award and the Milwaukee Women's Sports Leader of the Year Award.

Team Assignments: We will make initial team assignments as players sign up for programs but the coaching staff may move players to maximize the opportunity for the player and the team.

Schedule Conflicts: We recognize that some prior obligations will take precedence over playing. Family, personal or high school team commitments may arise that could prohibit a player from attending certain days or weekends. However, since all entry fees, gym fees and administrative fees hinge on a full roster, we are unable to give refunds for missed events.

Room and Board: Transportation, motel rooms and meals are the responsibility of athletes.

Age Division: is based upon athlete's age on 12/31/06.
