

NCAA Approval Process for Coaches

The approval process consists of an application, criminal background verification, an authorization for release of information and a NCAA rules educational component. The entire process must be completed online and can be accessed through the following link:

<https://screening.lexisnexis.com/eventcheck/ncaa/>

If the applicant has questions concerning the process, please contact LexisNexis NCAA Support Team at 800-631-8777 or email NCAASupport@Screening.Lexisnexis.com

An approval is good for two years. The application of that two-year period is the year in which it was granted and the following year. The two years is not a literal two years from the date in which the approval was granted.
